Dear Ms. Chmura:

On behalf of all of us at the March of Dimes, event Chair Maurice Zarmati, and Celebrity Spokesperson Jackie Nespral of NBC6, we would like to express our deepest appreciation to you and musical artists, Mel Dancy, Randy Singer, LeNard Rutledge, Federico Britos and Bobby Ramirez for donating their time and incredible talent to of the Twelfth Annual Signature Chefs & Wine Extravaganza held on Thursday, October 22, 2009 at Jungle Island. Your kind donation helped to ensure the tremendous success of this event!

No goods or services were provided by March of Dimes in consideration for this contribution. Your contribution is tax-deductible to the extent allowed by law. The amount of the contribution that is deductible for Federal income tax purposes is limited to the excess of the value of the gift over the value of the goods or services provided in return.

Thanks to your generous support of the event over \$145,000 in funds were raised to continue the mission of the March of Dimes, which is to improve the health of babies by preventing birth defects, premature birth, and infant mortality. Each year, more than 500,000 babies are born too soon, some so small they can fit in the palm of a hand. Many of these babies must fight just to survive; others will struggle with lifelong health problems. No one knows what causes half of all premature births. No one is working harder than the March of Dimes to find out.

On behalf of moms, dads and babies throughout South Florida, thank you for your continued support of the March of Dimes. We look forward to your participation at next year's Signature Chefs & Wine Extravaganza.

Sincerely,

Nanette Molina  
Community Director
